# THE NEXT GENERATION IN CARTON CLOSING.

The new **battery powered carton stapler** from **Bostitch** gives users true portability for the first time and includes a range of features to deliver superb performance in any location.

## KEEPS YOU WORKING

The tool comes complete with 2 Lithium-Ion batteries driving up to 800 staples per charge, so whether on a packaging line or out on the road you can keep working all day long.

## FLEXIBLE STAPLING

Two models provide fastener options from 15mm through to 22mm, big enough for single and double wall cartons, and as one of the largest staple manufacturers in the world, you can be sure our staples are of the highest quality.

- Fully portable carton stapler
- Fast 45 minute recharge
- Up to 800 staples per charge
- No need for a compressor and air lines
- Effortless operation compared to manual tools
- 2 models to staple from 15mm to 22mm
- Adjustable staple penetration & clinch type

We believe in providing the best tools & fasteners in the business. That's why, when you buy from **Bostitch**, you can rely on a wealth of knowledge, experience and support that's second to none.

These next generation carton staplers are just some of the tools in the **Bostitch** carton closing and packaging range. To find out more, speak to your local sales team or visit [www.bostitch.co.uk](http://www.bostitch.co.uk).
